21.2.25 The Municipal Council No. 15.299 dt. 22.8.24. State that as the site selected by the petitioners is objected to by some of the local residents, they may be directed to select an unobjectionable site & that an order may accordingly be given to the petitioners.

Letter No.D.2 Dis 1210 dated 30th June 192' from the Deputy Commissioner,Kadur District to the Muzrai Commissioner in Mysore.

With reference to your letter No.C.1279 of 23-24 dated 27th May 1924 forwarding for report a petition from Khaja Maidun Sab and other members of Anjuman Association of Birur, praying for permission for the construction of a mosque at the place, I have the honour to submit for reference the connected records ending with Tarikere Sub Division Officer's R.C.No.444/23-24 dated 13th June 1924 and to state as follows.

2. There are two section of Mahomadans in Birur. The Anjuman party to which the petitioners belong appear to have seceded from the Jumma Masjid party some years ago and have been performing their worship in a private dwelling separate from the Masjid at Birur. The question of constructing a separate Musjid was raised for the first time so far back as 1915.

3. On a previous representation of the petitioners Mr. K.Mylar Rao, the then Deputy Commissioner, in this office letter No.O.C.880 of 21-22 dated 22nd February 1922 recommended to Governme t the grant of permission to the Anjuman party to build a Musjid under certain conditions.

4. Government having called for certain further information in letter No.4888/Muz.581-21-2 dated 9th March 1922 Mr.M.G.Krishnaswami Rao inspected the place and reported in No.D.2 Dis 569/23-24 dated 15th November 1923 that the matter may be dropped for reasons stated.

5. I visited Birur on the 25th instant with the Sub Division Officer, Tarikere Sub Division. The petitioners want to build the new Musjid at the very place to which objection has already been taken by certain residents of the locality and which Mr.M.G.Krishnaswami Rao did not approve of. They have not selected any other site yet.

6. I agree with Mr.M.G.Krishnaswami Rao that the present site is not quite suited for a Musjid for several reasons and that there is some force in the objection of some of the residents of the locality.

7. I went round the town with the Sub Division Officer, the Present and Councillors. The petitioners were also present. There are one or two other sites which appear to be preferable to the one question. The Anjuman party was asked to select a less objectionable site with the approval of the Council. In the meantime the question has accordingly to be deferred.

8. By delaying the grant of sanction to build another Musjid there besides the possibility of the two parties coming to an amicable settlement a consummation devoutly to be wished for in the interest of Birur town as a whole.

9. In these circumstances I would reiterate the recommendation made by Mr. M.G. Krishnaswami Rao that the question of granting permission should lie over till the petitioners select a suitable site with the concurrence of the Municipal Council.
